

## **Critical Acclaim for P.O.V.'s "LIFE. SUPPORT. MUSIC."**

By Eric Daniel Metzgar

"Phenomenal."

— ***The Boston Globe***

"An incredibly moving documentary. Director Eric Daniel Metzgar . . . shows just how powerful love, family and music can become during life's greatest challenges. I watched the doc last weekend, and I won't forget it for a long time."

— **Robert Bianco, *USA Today***

"If you're looking for a megadose of inspiration, Jason Crigler may be your man. . . . His unbelievable recovery is chronicled in *Life. Support. Music.* . . . Heartrending."

— **Dave Shiflett, *Bloomberg News***

Jason Crigler's story is as gripping and moving as any Hollywood drama. . . . Undeniably human and inspiring."

— **Joe Neumaier, *New York Daily News***

"A remarkable film. . . . a story deeper and richer than anything I've ever seen on the news."

— **Aaron Barnhart, *Kansas City Star***

"Extraordinarily moving."

— ***Boston Phoenix***

"Transcends one's perceptions of medicine, music and even miracles."

— ***indieWIRE***

"Riveting."

— ***Guitar Player***

"A film that has caught the fancy of critics around the globe . . . an inspiration to thousands."

— ***Concord Monitor***

"An engaging and revealing portrait of a man [who] beat the odds, and a family's unwavering optimism."

— **Damien Williamson, *Aspen Daily News***

"Poignant, lyrical and understated. . . . A film about both a family and an individual who refused to give up."

— **The Chutry Experiment blog**

"Eric Daniel Metzgar's second feature-length documentary is a beauty. . . . *Life. Support. Music.* documents an extraordinary journey of healing, love and sheer determination . . ."

— **Still in Motion Website**

"*Life. Support. Music.* is intense and intimate. But only an expertly crafted film could make the viewing so emotional."
